

## THE ADVANCED PLACEMENT EXAMINATION 2022

We thank you all for registering with us, and hope that you have a pleasant experience on our campus. As we approach nearer to the testing dates, we would want you to take out time and read these important points in order to avoid any hassles on the examination day:

1. You must have your correct Admission ticket and valid ID proof, which is your PASSPORT, original and valid.
2. Check the calculator policy and be equipped with the approved calculator, as students are not allowed any other calculators other than the CB approved calculators.
3. Be very particular about the arrival timings, as the center will not entertain any late arrivals. Students taking exams in the morning slot must report at the venue between 7:00 am to 7:30 am. Students writing the exam in the afternoon slot must report between 11:00 am to 11:30 am.  
  
Students taking Physics C: Electricity and Magnetism must arrive on campus between 1:00 pm to 1:30 pm.
4. All students must get their own stationery and approved calculators. Please note that the center is not responsible for the provision of any of these items.
5. Students are advised to arrange some extra stationery to avoid unnecessary wastage of time in sharpening the pencils etc.
6. Mobile phones are not allowed in the examination halls. All mobiles need to be switched off and kept in the bags outside the examination halls.
7. OMR sheets once submitted, will not be given back for any rectification, henceforth, listen to the instructions attentively being read out by the room proctor, and keep pace with her speed.
